

## **Analysis of Student Satisfaction Survey (2016-17)**

### **INTERNAL QUALITY ASSURANCE CELL**

**Baba Bhairabananda Mahavidyalaya, Chandikhole, Dist:-Jajpur**

Baba Bhairabananda Mahavidyalaya is one of the leading Higher Educational Institutions (HEI) of Odisha catering the students of 5 adjacent districts. During this current academic session 2016-2017 students satisfaction survey was conducted by various departments through physical mode as per a standard format structured by IQAC by involving about 30% of the existing final year students. This survey mainly includes the questionnaire related to Teaching-Learning and Evaluation, institutional infrastructure and students welfare aspect. The analysis of the results of student's satisfaction survey is as follows:

#### **Instructions given to fill the questionnaire**

- All questions should be compulsorily attempted.
- Each question has five responses, choose the most appropriate one.
- The response to the qualitative question no. 21 is student's opportunity to give suggestions or improvements; she/he can also mention weaknesses of the institute here. (Kindly restrict your response to teaching learning process only)

1. How much of the syllabus was covered in the class?
2. How well did the teachers prepare for the class?
3. How well were the teachers able to communicate?
4. The teacher's approach to teaching can best be described as
5. Fairness of the internal evaluation process by the teachers.
6. Was your performance in assignments discussed with you?
7. The institute takes active interest in promoting internship, student exchange, field visit opportunities for students
8. The teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth
9. The institution provides multiple opportunities to learn and grow

- 10.Teachers inform you about your expected competencies, course outcomes and programme outcomes
- 11.The teacher illustrates the concepts through examples and applications
- 12.The teacher identify your strength and encourage you with providing right level of challenges
- 13.Teachers are able to identify your weakness and help you to overcome them
- 14.The institution make effort to engage students in the monitoring, review and continuous quality improvement of the teaching learning process.
- 15.The institution/teachers use student centric methods, such as experimental learning, participative learning and problem solving methodologies for enhancing learning experiences
- 16.Teachers encourage you to participate in extracurricular activities
- 17.Efforts are made by the institute/teachers to inculcate soft skills, life skills and employability skills to make you ready for the world of work
- 18.What percentage of teachers use ICT tools such as LCD projectors, multimedia, etc. while teaching.
- 19.The overall quality of teaching learning process in your institute is very good.
